

# CURRICULUM VITAE

## **Bonnie Jensen, PhD, Associate Professor**

Institute of Social Science, Economics & Journalism  
Ilisimatusarfik, University of Greenland

Year: 1974

Write: [boje@uni.gl](mailto:boje@uni.gl)

Speak: 00299-228971

## **Research profile**

---

My research interest predominantly encompasses the social area, particularly focusing on children and youth, people in vulnerable situations and people with disabilities. Additionally, I'm also intrigued by how organizations are managed and led when it comes to providing services for people in vulnerable situations.

My primary research methodology involves qualitative investigation, where I have extensive proficiency in various interview techniques, including phenomenological interviews and focus group interviews, in addition to participant observation and document analysis.
